STATEMENT OF SUBSTANCE OF TELEPHONIC INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The undersigned telephoned Examiner Chan on January 19, 2010 to point out a typographical error in the Examiner's Amendment accompanying the Notice of Allowability issued in this application. In particular, the undersigned explained that the change to line 7 of page 9 of the specification should refer to --silver-- rather than "sliver". The Examiner said he would correct the matter by way of a Supplemental Examiner's Amendment.

Should any questions arise concerning this matter, the undersigned respectfully requests that he be contacted at the number indicated below.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
